Refreshments

VENDOR'S HALL

Parents interested in learning more about home education will have an opportunity to have their questions answered one-on-one. Veteran home educators will be able to learn more about the high school years or college, and be encouraged to continue the journey. We will all be able to see what classes and lessons are available in the area. Everyone is welcome!

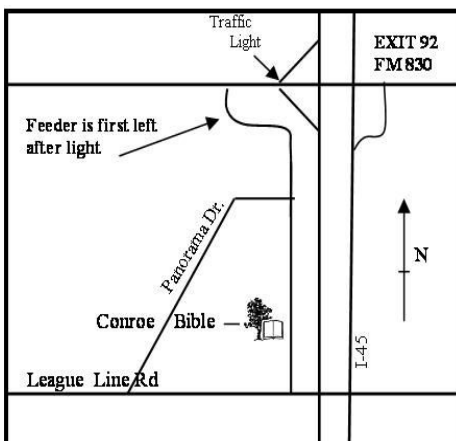

Vendors: \$5 will reserve half of an eight foot table to advertise your classes, lessons, products or services to homeschoolers in the area. Contact Terri Watt at cache@tcconcepts.com

Used Curriculum Sale: You must bring your own table! CACHE members may sell for free; non-members may sell for \$3. Set up begins at 6:15pm. Reserve your spot by e-mailing Dorothy Pickering at cachebts@yahoo.com.

Sorry, no childcare will be provided. This is a time for parents to learn and fellowship. If you must bring your children, they must stay with you at all times and be quiet and respectful.
